Subject: Zone Renewal Application for the Long Beach Recycling Market Development Zone

Dear Ms. Pintar:

We are pleased to submit the City of Long Beach application to renew our Recycling Market Development Zone (RMDZ) to the California Integrated Waste Management Board (CIWMB) and request CIWMB approval of our renewal. The City of Long Beach recognizes that the statewide RMDZ Program is vital to waste management and economic development in California.

Thank you for the opportunity to submit this application and we very much look forward to continuing our relationship with the CIWMB. We have endeavored to construct our application to be as complete as possible, but should you have any questions, please contact Mr. Jim Mang or the undersigned.

Sincerely Yours,

James R. Kuhl
